ABOUT

I'm an 19-year-old, an iOS Developer, and a computer science student from As Sulaimaniyah, Kurdistan Region of Iraq.

I started learning Swift language in earlier of 2019. I can developer iOS, iPadOS, macOS, and watchOS apps by using both Swift and Objective-C languages, as well as the new SwiftUI framework.

I'm have three apps available on the App Store for free, including one handy developer tool.
